

Rev. SEPTEMBER 2011

PLEASE NOTE: FOR STUDENTS BEGINNING PDP SEPTEMBER 2011/JANUARY 2012

BACHELOR OF EDUCATION AS A SECOND DEGREE

If you were admitted to PDP with a degree awarded prior to the start of PDP, you have the opportunity to complete a B.Ed. 2nd degree. The degree is a minimum of 45 upper division education units, and must include an education minor that may be completed during the Educ 404 (academic coursework) semester of PDP.

PDP CONSISTS OF:

Educ 401/402	= 15 upper division education units
Educ 405	= 15 upper division education units
Educ 404	= a minimum of 15 upper division education units which must be taken in the summer semester.

In order to complete the requirements of the B.Ed. 2nd degree during PDP, you must ensure that the academic coursework taken during the Educ 404 semester meets the requirements of one of the 12 education minors on page 3. **Remember that registration for courses in the minors are subject to availability.** If you have course conflicts in the summer semester it may mean that your B.Ed. 2nd degree will take longer to complete than PDP. With an appropriate choice of courses it is possible to finish the B.Ed. 2nd degree during PDP.

As you may be aware, SFU introduced university-wide graduation requirements for all students admitted in the Fall 2006 and onwards (WQB). However, the B.Ed. 2nd degree has been provided with a waiver of most of these requirements with the exception of completion of a W and a Q course during this degree program. Educ 401/402 meets the W requirement but students need to ensure successful completion of one quantitative course **during** this degree program.

Quantitative courses being offered during Educ 404 include:

Prospective elementary teachers:

Educ 475-4: Designs for Learning: Elementary Mathematics

Prospective secondary Mathematics and Science teachers:

Educ 415-4: Designs for Learning: Secondary Mathematics

All other prospective secondary teachers (Humanities/Arts):

Educ 313-3: Numeracy and Society

Educ 375-3: Struggle with Mathematics: Sources and Recovery

Educ 452-8: Environmental Education

Educ 454-4: Measurement & Evaluation in Environmental Education

Educ 484-4: Rethinking Scientific Misconceptions (tentatively scheduled -- only offered in Surrey)

Please note: In order to enroll in a W course students must have attained either 75% or higher in English 12 or a C- or higher in a post-secondary English course. Registration in a Q course requires that students attained either 70% or higher in a secondary Mathematics course or a C- or higher in a post-secondary course that is recognized as a Q course by SFU. Math 190 will satisfy this requirement. If you have any concerns at all about meeting these requirements, please contact me as soon as possible (educadv@sfu.ca) so we can review your academic record.

MANDATORY COURSES

Elementary PDP students are required to take at least one of the following courses offered in English or French in order to be recommended for certification to the BC College of Teachers.

Educ 472-4: Designs for Learning: Elementary Language Arts
 Educ 473-4: Designs for Learning: Reading
 Educ 485-8: Designs for Learning: Writing
 Educ 467-4: Curriculum and Instruction in Teaching English as a Second Language
 Educ 480-4: Designs for Learning: French as a Second Language
 Educ 481-4: Designs for Learning: French Immersion & Programme-cadre de Francais
 Educ 424-4: Learning Disabilities: Laboratory

Secondary PDP students are required by the BC College of Teachers to take the secondary Designs for Learning (methodology) course(s) in their teachable area(s) during the summer semester of PDP.

Secondary Teachable Areas:

English: Educ 412-4: Designs for Learning: Secondary Language Arts
Social Studies: Educ 414-4: Designs for Learning: Secondary Social Studies
Mathematics: Educ 415-4: Designs for Learning: Secondary Mathematics
Science: Educ 416-4: Designs for Learning: Secondary Science
Dance: Educ 430-4: Designs for Learning: Dance
Drama: Educ 457-4: Drama and Education
Art: Educ 477-4: Designs for Learning: Art
Music: Educ 478-4: Designs for Learning: Music
French: Educ 480-4: Designs for Learning: French as a Second Language **OR**
 Educ 481-4: Designs for Learning: French Immersion
P.E. Educ 459-4: Instructional Activities in P.E. (**required P.E. course**)
 Educ 479-4: Designs for Learning: P.E. (if at all possible)
Computing Sc. Educ 482-4: Designs for Learning: Information Technology

The BCCT expects secondary level students to complete secondary Designs for Learning courses and elementary level students to complete elementary level Designs for Learning courses. You **MUST** comply with this requirement. In addition, students in the French Module have a mandatory course:

French Educ 480-4: Designs for Learning: French as a Second Language (taught in in French)
OR
 Educ 481-4: Designs for Learning: French Immersion

If you do not choose to do the B.Ed. as a 2nd degree you will still be recommended for certification to the BCCT. Also, if you are completing a B.Ed. as a first degree, or another degree at SFU, and using the Educ 404 units towards that degree, you will still be recommended for certification.

Following are requirements for the 12 minors offered by the Faculty of Education when completed as part of the B.Ed. as a 2nd degree. One of these minors must be fulfilled in order to satisfy the requirements of the B.Ed. as a 2nd degree. Please note that a few of these minors have lower division requirements and some of the courses have prerequisites. If you require a pre-requisite waiver for a specific course you must complete the appropriate paperwork and receive permission from the Instructor.

Minors being completed on a BEd 2nd degree often have different course requirements than identified in the SFU Calendar. Do not use the Degree Progress Report available on the Student Information System to check your BEd 2nd degree requirements.

CURRICULUM AND INSTRUCTION

Educ 471-4: Curriculum Development: Theory & Practice PLUS 11 upper division Education units

EARLY LEARNING (*Lower division requirement: PSYC 250*)

Educ 464-4: Early Childhood Education

Educ 466-4: Early Childhood Education: Curriculum and Development

Seven units from: Educ 322, 332, 422, 472, 473, 475Q, 465

ELEMENTARY GENERALIST

Educ 475-4: Designs for Learning: Elementary Mathematics

One of Educ 311, 325, 326, 341, 371, 422, 426, 428, 435, 441, 452, 464, 467, 482, 485

At least one of Educ 472, 473, 480

If courses above do not add up to a minimum of 15 units then one additional course from:

Educ 430, 457, 459, 474, 476, 477, 478

ENVIRONMENTAL EDUCATION (*Limited to 32 students. There are additional fees associated with Educ 452Q.*)

Educ 452Q-8: Environmental Education

Two of Educ 412, 414, 415Q, 416, 433, 457, 459, 471, 472, 473, 474, 475Q, 476, 477, 478, 480, 481, 482

FRENCH EDUCATION (*For students in French module, or permission of department. Courses taken towards this minor must be taught in the French language.*)

Educ 480-4: Designs for Learning: French as a Second Language **OR**

Educ 481-4: Designs for Learning: French Immersion

Elementary students: 3 of Educ 474, 475Q, 476 **OR** Secondary students: 3 of Educ 382, 414, 415Q, 416, 484

INTERNATIONAL AND GLOBAL EDUCATION (*For ITEM students, or permission of department.*)

Educ 370-4: International and Intercultural Education

Educ 435-4: Infusing Global Perspectives in Curriculum

Two of Educ 311, 367, 382, 441, 448, 452Q, 467, 471, Designs for Learning (only one designs course)

LEARNING AND DEVELOPMENTAL DISABILITIES (*Lower division requirement: EDUC 220 or PSYC 250*)

Educ 422-4: Learning Disabilities

Educ 424-4: Learning Disabilities Laboratory

One of Educ 315 or Educ 473 **AND** one of Educ 426, 427, 428, 475Q

SECONDARY TEACHING (*All 15 units must be completed from the following lists.*)

At least one of Educ 412, 414, 416, 430, 457, 459, 473, 477, 478, 480, 482

At least one of Educ 313, 375, 415, 452, 454, 484

At least one of Educ 311, 325, 326, 341, 371, 422, 426, 428, 433, 435, 437, 441, 446, 448, 467, 471, 485

SECONDARY MATHEMATICS EDUCATION (*For secondary Math or Science students, or permission*)

Educ 415Q-4: Designs for Learning: Secondary Mathematics

Educ 411Q-3: Investigations in Mathematics for Secondary Teachers

One of Educ 412, 414, 416, 428, 433, 452Q, 467, 469, 477, 478, 480, 481, 482

Additional upper division course(s) in Education to ensure at least 15 units (**STUDENTS CANNOT APPLY EDUC 475 TOWARDS THIS MINOR**)

PHYSICAL EDUCATION (*For secondary PE students, or permission of department.*)

Educ 459-4: Instructional Activities in Physical Education

Educ 479-4: Designs for Learning Physical Education

Two of Educ 330, 457, Designs for Learning (only one designs for learning course)

There are also minors available in Counselling and Human Development and Educational Psychology. However, students are unable to complete these minors during the Educ 404 semester of PDP unless they have already completed the lower division requirements and at least 2 or 3 of the upper division course requirements. Please see the Advisor if you have an interest in either of these minors.
